Lacrosse in Arizona is growing in leaps and bounds. Lacrosse is a game of finesse and skill. It's called the "fastest game on two feet." Lacrosse uses a combination of skills much like other sports. There are different positions on a team, just like other team sports. If you'd like to learn more about the rules and what exactly this game is all about please join us.

This camp is designed for girls entering 6<sup>th</sup> through 9<sup>th</sup> grades. No prior experience playing Lacrosse is necessary. We'll teach you the basic fundamentals: how the game is played, rules of the game, stick skills, conditions activities and exercises.

Xavier Lacrosse Camp is an excellent place to learn one of the fastest growing and exciting women's sports and meet current Xavier Lacrosse players, incoming students and coaches.
