

Titan Invitational Change of Venue

FROM THE MEET DIRECTOR

Hi all, again sorry for the complication. We want it at Crossroads too, but City of Gilbert said no because of a soccer tournament that they want to line the fields earlier in the day and not the night before.

So as mentioned, the meet will be at Freestone, not Crossroads

There will be 20 medals per race

The varsity races places 11-20 will be given out at the finish line and 1-10 at awards ceremony.

There are parking lots just north of the start/finish area and more to the east about a 5 minute walk away.

Because of the course route (old state course) the open/freshman races will be run 1 minute apart and not 5 as originally planned.

The races will be

8:35 Big School Open Boys 8:36 Girls Open

9:10 Boys Big School Varsity

9:40 Girls Big School Varsity
