

**XAVIER COLLEGE PREPARATORY ROMAN CATHOLIC HIGH SCHOOL
STATEMENT OF TUITION AND FEES 2021-2022**

Due to the contributed services of both lay and religious faculty members, the cost of education at the Phoenix Catholic Diocesan High Schools continues to remain substantially less than would otherwise be expected.

Each family is asked to meet the full tuition rate for each student if possible.

For those families who are registered, active, and participating members of their parish in the Roman Catholic Diocese of Phoenix the school allows a reduced tuition rate. Requests for reduced tuition are sent by Xavier to your pastor for approval. The reduced rate becomes effective only when approved by your pastor. If the request is denied by your pastor, Xavier will contact you. Reduced rate is not retroactive. Criteria used in determining active and participating membership may vary by parish.

Those families not registered, active, and participating members of a parish in the Roman Catholic Diocese of Phoenix will be required to pay the annual tuition rate for each student enrolled in the school.

Financially, Xavier must depend not only on tuition to meet ever rising instructional and operational costs, but also must look to fund raising, and to those in a position to pledge their annual state tax credit to Catholic Education Arizona in the name of Xavier College Preparatory.
