Alan Bennett's

The 2006 Tony Award winner of Best Play!
An unruly bunch of bright, funny senior boys in a boarding school are, as such boys will be, in pursuit of sex, sport, and a place at a good university - generally in that order. Alan Bennett raises - with gentle wit and pitch-perfect command of character - not only universal questions about the nature of history and how it is taught but also questions about the purpose of education today.

Directed by Brooke Feldman
