The HSPT, or High School Placement Test is a high school Catholic entrance exam. It is a five-part, 298 question test broken into 5 sections: Verbal; Quantitative; Reading; Mathematics; and Language Skills. Questions are all multiple-choice, each with either 3 or 4 answer choices. All of the questions are worth one point, with no penalty for incorrect answers. Each section is timed. A writing sample is also part of the Test.

A student's score is used for admissions, academic placement, and assigning scholarships.
